RE: Daily COVID-19 Update

Good morning and thanks for reading this update. The Southeast District Health Department has updated the information on their website. There are seventeen new cases and one additional death in their area. There were two additional cases in Johnson County, two additional cases in Nemaha County, twelve additional cases in Otoe County, one additional case in Pawnee County and two cases were removed from the total in Richardson County. This makes a total of 189 cases and two deaths in the district. 126 of the cases were diagnosed in the last thirty days.

As of 9:00 this morning there were 22,709,116 cases in the world. Yesterday there were 22,442,243. There have been 794,274 deaths. Yesterday there had been 788,356 deaths.

In the United States there are now 5,576,206 positive cases, 174,290 deaths and 70,031,936 people that have been tested. Yesterday there were 5,530,441 cases, 173,193 deaths and 69,370,708 people that had been tested. There were 45,765 new cases diagnosed in the U.S. yesterday and 1,097 deaths.

In Nebraska there are now 31,348 cases and there have been 373 deaths. Yesterday there had been 31,040 positive cases and 371 deaths. 208 new confirmed cases have been identified since yesterday and 119 of the new cases were in Douglas County. 328,378 people have been tested in the state. Yesterday 328,378 people had been tested. We now have had fifty-two confirmed cases in Nemaha County, ten in Pawnee County, twenty-eight in Richardson County, twenty in Johnson County and seventy-nine in Otoe County. These are the numbers of cases in each county as reported by the Southeast District Health Department. 12,421 of the Nebraska cases are in Douglas County. There have now been 1,783 confirmed cases in Hall County, 983 cases in Dawson County and 1,953 cases in Dakota County. There are now 110 cases in Gage County and 3,545 cases in Lancaster County.

Thanks for all you do for us! Be kind to each other!
