**RE:** Daily COVID-19 Update

Good morning and thanks for reading this update. The Southeast District Health Department updated the information on their website on Wednesday, October 21<sup>st</sup>. There are 36 new cases of COVID-19 in their area. There were three additional cases in Nemaha County, six additional cases in Johnson County, 17 additional cases in Otoe County, two additional cases in Pawnee County and eight additional cases in Richardson County. This makes a total of 659 cases and three deaths in the district. 288 of the cases were diagnosed in the last thirty days.

As of 9:00 this morning there were 41,333,467 cases in the world. Yesterday there were 40,886,174. There have been 1,132,869 deaths. Yesterday there had been 1,126,379 deaths.

In the United States there are now 8,338,467 positive cases, 222,239 deaths and 127,825,177 people that have been tested. Yesterday there were 8,275,249 cases, 221,083 deaths and 126,954,814 people that had been tested. There were 63,218 new cases diagnosed in the U.S. yesterday and 1,156 deaths.

In Nebraska there are now 60,308 cases and there have been 576 deaths. Yesterday there had been 59,409 positive cases and 565 deaths. 899 new confirmed cases have been identified since yesterday and 235 of the new cases were in Douglas County. 549,922 people have been tested in the state. Yesterday 546,669 people had been tested. We now have had 173 confirmed cases in Nemaha County, 24 in Pawnee County, 101 in Richardson County, 89 in Johnson County and 272 in Otoe County. These are the numbers of cases in each county as reported by the Southeast District Health Department. 20,690 of the Nebraska cases are in Douglas County. There have now been 2,467 confirmed cases in Hall County, 1,217 cases in Dawson County and 2,476 cases in Dakota County. There are now 490 cases in Gage County and 8,315 cases in Lancaster County.

Thanks for all you do for us! Be kind to each other!
