

# A Patient's Guide: Adding Additional Family Members to a MyCareCorner Registered Account

## Getting Started

Additional family members (spouse, children, and/or parents) can be added to a registered MyCareCorner account once a healthcare provider (hospital or clinic) provides the family member with an email or a printed copy of the registration instructions for MyCareCorner.

## Using the Email

1. To add the family member to your registered MyCareCorner account, click the link in the email instructions.

**Evident Centriq Community Hospital**

**Patient Name:** W, Kristine

**Patient Portal Registration Process**

---

During your recent visit, you were invited to register with the Patient Portal. To get started, simply register your new account by entering the following URL into your browser's address bar:

<https://login.mycarecorner.net/transfer/welcome.aspx?packageid=DTRO-SETK-DNPS-JWSF-YDYM>

When prompted to enter your invitation code, please enter the following code:

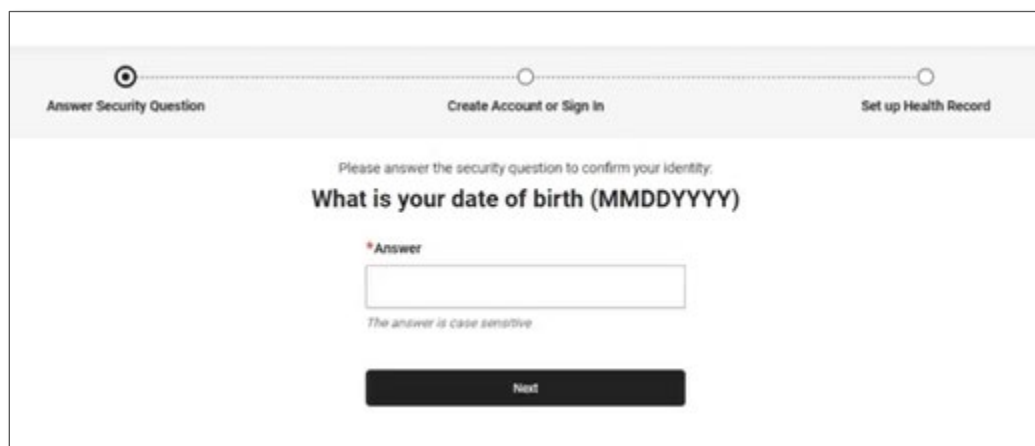

DTRO-SETK-DNPS-JWSF-YDYM

You will then be prompted to answer a verification question.

After you have entered all the required information, click the "Allow" button to complete the process. Once you receive the "Access Approved" notification on the screen, your registration is complete and you will have access to view your portal health record.

4. A question is displayed: **Do you already have a MyCareCorner account?** Select **Yes**.

## Self-Registering in MyCareCorner

- The Sign in box is displayed. Enter the registered account member's Email and Password and click **Sign In**.

- An "invitation to access" page is displayed with the name of the person's health record that you are accessing.

- At this point, you do not want to put the family member's health information into your health record, so we need to create a new record for the family member. Click **Create New Record**. (If you select your record, the system recognizes that the names are not the same and will present a confirmation message. If so, click **Cancel** to go back.)
- On the Create Health Record screen, enter the First Name, Last Name, Relationship to You, Country, Zip Code, Sex, and Date of Birth of the family member's record you are adding. Click **Next**.

10. The Access Approved screen is displayed. Click **Home**. Now, both records are displayed. Select the record that you'd like to view.

11. Once in a health record, you can switch the view to other records linked to your account. Click the circle with your initials on it (in the upper-right corner of the screen). Other records that you have linked are displayed. Click a name to switch the view.

### Using the Printed Instructions

1. To add the family member to your registered MyCareCorner account, enter the URL from the printed invitation into the browser window.

2. The MyCareCorner page is displayed. Click **Continue**.
3. The Invitation Code screen is displayed. Enter the invitation code from your printed instructions. Click **Next**.

The screenshot shows a web form titled "Identity Code". It features a row of five empty input boxes for entering a code. Below the boxes, a note reads: "Note: If you copy and paste the entire code into the first field, it will automatically fill in the other fields." At the bottom of the form is a black button with the word "Next" in white text.

4. The confirm identity screen is displayed and the remaining steps are the same as in the [Using the Email](#) section. See steps 3-9 above to complete the process.
