

A Patient's Guide: Self-Registration in MyCareCorner

The MyCareCorner (MCC) patient portal provides patients with access to their electronic health record. You, as the patient, can self-register for the MyCareCorner patient portal by going to MyCareCorner.net and creating an account. Once you have an account, you will need an invitation code (as seen in Step 8 in the Self-Registration section) to access your health record and those of your family members. Contact your healthcare provider (hospital or clinic) to request a registration invitation for MyCareCorner.

Self-Registration (Create Account in MCC)

1. To self-register, enter MyCareCorner.net into your browser window.
2. The Welcome page is displayed. In the **New User** section, click **Sign Up**.

3. The Create Account screen is displayed.

2. The MyCareCorner page is launched. Click **Continue**.

3. The MyCareCorner Account screen is displayed. Enter your **Email** and **Password** and click **Sign In**. NOTE: You created this email and password combination when following the steps in the [Self Registration/Create Account in MCC](#) section.

The screenshot shows the MyCareCorner Account screen. On the left, there is a white sidebar with the MyCareCorner logo and two sections: "Don't Have an Account Yet?" with a "Create Account" button, and "Sign in to Your Account" with fields for "Email" (containing "maria.smith@email.com") and "Password" (containing "*****"), a "Forgot Password?" link, and a "Sign In" button highlighted with a red rectangle. The main area of the page is identical to the previous screenshot, featuring a dark blue background with a network diagram and a central family photo.

4. To confirm your identity, enter your date of birth and click **Submit**.

This invitation is to access **Henry Jefferson's** health information

Select what health record to store **Henry Jefferson's** health information in by choosing the health record with the same name (if there is a record that matches this name, Connected Health Base has already selected it for you). If you do not see this person's name, choose the **Create New Record** button.

7. If the invitation is for you and your health record is listed, select it and click **Finish**. If you are managing another person's health record (spouse, child, etc.), you will need to create a new record. Click **Create New Record**.

NOTE: It is important to note that multiple patients can be set up under one account (or email address/password combination) so that spouses and/or children can be accessed from a single account holder.

8. Enter the information about the person whose health information you are managing (this may be you or someone else). Enter their first name, last name, sex, and date of birth (you may also enter their relationship to you) and press the **Next** button. Your account and health record is now created.
9. Click Home to go to the MyCareCorner patient portal home page.
